45 Years as Europe's best selling van

A special edition Transit called 'Sapphire' rolled off the production line at the end of April this year and at the same time Ford globally celebrated Transit's 6,000,000 sales milestone with simultaneous celebrations in Southampton, Turkey and China. The UK's favourite van turns 45 this year, with more than 2.1million sales in Britain since it was created in 1965.

The special edition Transit Sapphire includes:

- Silver painted front grille, mirror caps and rear light guards
- New 'Ink Blue' paint • Air conditioning
- Front fog lights • Tinted glass • Cruise control
- Electrically-operated windows
- Quickclear heated front windscreen
- Stereo radio/CD player with MP3
- Bluetooth® with voice control system
